

Alleged Victim of Kleptomania Goes To Jail for 20 Days

Mrs. Jennie Steiner of Villa Park, who has been arrested in the past for shoplifting and who, the police state, suffers from kleptomania, was sentenced to 20 days in jail and fined \$25 and court costs by Judge Frank Wilder in the city court this morning. The woman was arrested Saturday night charged with stealing bacon and other products and articles from Dorson's department and the Woolworth store. She appealed from the sentence and was held in bonds of \$200 for the superior court.

DIPLOMAS GIVEN TO HIGH SCHOOL CLASS OF 1918

Miss Dorothy Averill Winner In Barnum Essay Contest

The spirit of the times marked the graduation of a class of 198 members of Bridgeport High school last night, when two of the young men, Howard Curley and Edward Speer, appeared in the uniform of the United States Navy in which they have enlisted. Diplomas were presented by President Elmer Havens, of the board of education. The Liberty orchestra of the school furnished music for the program which was given as previously announced in The Farmer.

Miss Dorothy Brewster Averill was awarded the first Barnum prize of \$30 for an essay entitled "The Friendship of Books." Miss Clarice Ena Bray, whose essay was "The Place of American Inventors in the World's Progress," won the second prize of \$20.

The H. C. Fairchild prize for proficiency in chemistry was won by Leslie Swan Bishop. The Commercial class prize of \$10 was given to Miss Ethel May Ritzman, for proficiency in that course.

Principal Henry D. Simonds concluded his 26 years of service in the school with last night's graduation and it was not without feeling that the pupils who have been guided in their instruction by him spoke their words of bidding. Valedictorian Austin Franca Munich for the class, paid tribute to Mr. Simonds.

ASHMORE CO. HAS

BIG SUPPLY OF LENSES

The new law concerning automobile lights goes into effect July 1, 1917. The Ashmore Auto Supply Co. has on hand a large stock of Legatite and Corning Conaphore lenses. Both of these lenses have been authorized by the State of Connecticut, and are ever ready to give the well known Ashmore Service that has made a commendable impression with all who have had dealings with the Ashmore Auto Supply Co. Mr. Ashmore has made it his aim to have on hand at all times a full line of Ford auto accessories. Expert vulcanizing and the repairing are neatly done. The Ashmore Auto Supply Co. is located in Sterling street, at the northern approach of Congress street bridge.

TWO DIE SUDDENLY

Two men died suddenly today of natural causes. Henry Sunday, an employee of the Whiting Mfg. Co., dropped dead while working at his bench in the factory. He resided in Barnum Terrace, Stratford. John Latta, who has been ill for some months, was found dead in bed at his home, 405 Spruce street, this morning at 6 o'clock. Medical Examiner Garlick pronounced both deaths due to natural causes after an investigation.

Proper Thing Now Is to Peel Off Soiled Skin

Those who abhor sticky, greasy, shiny, streaked complexions should religiously avoid creams, powders and rouges during the hottest days. There's no need for them, anyway, since the virtues of mercolleed wax have become known. No amount of perspiration will produce any evidence that you've been using the wax. As it is applied at bedtime and washed off in the morning, the complexion never looks like a make-up. Mercolleed wax instead of adding anything to make it worse. It has none of the disadvantages of cosmetics and accomplishes much more in keeping the complexion beautifully white, satiny and youthful. Just get an ounce of it at your druggist's and see what a few days' treatment will do. Use like cold cream.

Another effective warm weather treatment—best tending to cause wrinkles and flabbiness—is a skin-lightener made by dissolving one ounce of powdered salite in a half pint of witch hazel. Its use (as a face wash) leaves no trace. Remarkable improvement is noticed immediately, and there is no harmful effect whatever.—Adv.

Replace Central Bowl in Fountain On Park Avenue
A fault in the beautiful fountain at the intersection of Park and Fairfield avenues, erected to the memory of the late Nathaniel Wheeler, has caused the contracting company to replace the marble bowl of the central figure and to demount the bronze statue temporarily. Work of removing the statue began several days ago and the main new bowl, weighing approximately two tons is now under way. It was observed that the marble bowl because of being improperly set, cracked when attacked by the first frost. Its repair was delayed until a suitable season.

The P. R. Ziegler Co. has received the contract to furnish the equipment for the Farmers' Dairy Co., which will be located at North avenue and Grand street. The equipment will cost \$12,338.
